## 2026 Term Dates

Our classes run on an 8-week term. This means that in terms that are longer than 8 weeks, we will start or finish earlier or later than the school term.

Please take note of these dates as they may vary from other dance studios and schools.

**Term 1: Saturday 7th February - Thursday 2nd April** - 8 lessons per class

**Term 2: Monday 27th April - Monday 22nd June + Saturday 27th June** - 8 lessons per class

### TERM 2 DATES NOTE:

Term 2 this year is a long 11-week term. As we run on 8-week terms, we will still be running a brand new *Workshop Week* that will be open to all students. We will be offering a variety of workshops in the usual class timeslots, but focusing on specific skills and partnering so that students can challenge themselves to learn something new. This is an optional add-on that will need to be booked in to closer to the time.

### GYM TRAINING DAYS:

Students in Acro Classes from Level 3 up have the option of attending additional training days once per term. These sessions will be held at a local gymnastics club to use their floors, mats and equipment to assist in the development of tumbling skills. More details to come on this exciting new class option....

Uniform rules must be strictly adhered to to keep dancers and spotters safe.

**Clothing:** Leotard and shorts or singlet/tight-fitting top and shorts. Shorts/tights **MUST** be worn.

**Hair:** Must be in a bun or tied up. If your dancer has long hair please avoid ponytails as these will flick spotters in the face during tricks or may be stepped on by others or by themselves when upside down.

## Change of Classes

To ensure your child is in the most appropriate class for their ability level, they may be shuffled around (providing alternative class times fit with their other commitments). Every dancer is working at their own level and there is absolutely no comparison so dancers must be in the class best for them and their current abilities to keep them safe. This decision is the teachers alone as they solely know what is required of students in each class.

## Accident Traffic Light System

Although every precaution will be taken to minimise the chances of occurrence, acro comes with increased risks. The below accident traffic light procedure will be followed in case of injury.

*Green:* Small injuries such as scrapes/grazes/headache etc. If the child is not upset and okay to continue with class then they will do so. First aid is provided if need be. The parent will not be contacted.

*Orange:* Ankle roll/hurt wrist/upset child etc. The parent will be contacted to check-in. First aid provided.

*Red:* Suspected fractured bone/serious injury etc. The parent will be called immediately, first aid provided, and an ambulance called if necessary.
